Certification Audit of the Quality Management System

It is the second time, IFNMU has received an international certificate confirming the quality of educational medical services.

On June 1-3, 2020, Ivano-Frankivsk National Medical University conducted online a certification audit to assess the implementation and effectiveness of the quality management system at the University. The audit was conducted in accordance with the Quality Policy, IFNMU Quality Objectives for the second half of 2019 - the first half of 2020, and the Plan of the second stage of the certification audit of the management system at IFNMU.

Considering the importance of the quality management system implemented in the University, the Administration of IFNMU invited the certification authorities to conduct training and certification of the internal university auditors. Due to this, 43 IFNMU employees successfully completed training, final test and received certificates of internal auditors.

In accordance with the decision of the LLC Certification Body "Center for Certification of Materials and Products", Ivano-Frankivsk National Medical University was recognized as complying with DSTU ISO 9001: 2015 "Quality Management Systems. Requirements" in the provision of services in the field of higher education and health care.
