PROCEDURE AND ASSESSMENT SYSTEM  
OF COMPLEX ENTRANCE ORAL EXAM IN BIOLOGY AND ENGLISH  
(LANGUAGE OF STUDY – ENGLISH)  
FOR FOREIGNERS AND PEOPLE WITHOUT CITIZENSHIP

1. Complex entrance exam in Biology and English is taken on one day.
2. Complex entrance exam is taken orally.
3. To hold a complex entrance exam, separate groups of entrants are formed depending on the specialty and form of education in order of registration of documents. The group consists of no more than 20 people.
4. A complex entrance exam in each subject is conducted by two members of the commission with each applicant.
5. The entrant chooses a question list, which contains one task in Biology and one task in English.
6. The entrant provides answers to questions in each subject in accordance with the Program of the complex entrance examination.
7. During the complex entrance exam it is prohibited to use electronic devices, textbooks, manuals, mobile phones and other materials that are not provided by the decision of the admissions committee. If the entrant uses third-party sources of information (including tips) during the comprehensive entrance exam, he is excluded from participating in the comprehensive entrance exam. An appeal against expulsion from the comprehensive entrance exam is not considered.
8. The results of the complex entrance exam in each subject are evaluated on a scale of 100-200 points or a decision is made on a negative evaluation of the entrant ("unsatisfactory"). If an entrant receives an "unsatisfactory" grade in one of the subjects, such entrant is not allowed to participate in the competitive selection.
9. At the end of the complex entrance examination in each subject the sheet of the complex entrance examination is signed by the entrant and members of the relevant commission.
10. Information on the result of the comprehensive entrance exam is announced to the entrant on the day of the exam and is published on the information stands of the Admissions Committee and the website of IFNMU ([www.ifnmua.edu.ua](http://www.ifnmua.edu.ua)).
11. The application for appeal may be submitted by the entrant in accordance with the Regulations on the procedure of appeal, not later than the next working day after the announcement of the results of the complex entrance examination.
12. Entrants who did not appear for the complex entrance exam without good reason at the specified time are not allowed to participate in the competitive selection. If there are good reasons, which are documented, entrants may be admitted to the missed complex entrance exam with the permission of the chairman of the admissions committee within the established deadlines for enrollment of foreigners and people without citizenship.
13. Re-taking the complex entrance exam is not allowed.
